

*distinctive budget accommodation in the heart of coventry*

## Map and directions

### How to find us by car

Head for Coventry city centre that is surrounded by an elevated ring road. Think of the M25 only smaller. There are junctions to get on/off from 1 to 9. Go left or right junction numbers are on the bottom left of the exit boards. We are junction 8, the Birmingham turn off which is Holyhead Road. Travel up 2 minutes, we are on the left at a pedestrian crossing. We are well lit at night with floodlights and a blue strobe light. Our drive runs up the right side of the guesthouse to the car park.

### How to find us by train

Coventry Station is on the main line from London Euston to Birmingham. The station is only 1 mile from us so a taxi may be required and should be reasonably cheap.

### How to find us by bus

You will arrive in the central bus station 'Pool Meadow'. We are only 1 mile from here and it is easy to catch one of the many buses travelling up Holyhead Road. Ask at the station for the next one to leave - the cost is usually about £1. We are also on the main route to Birmingham stopping at the NEC and Birmingham Airport. This is the 900 bus and costs about £1.50 per journey stopping and leaving from outside the guesthouse front door for your convenience.

### How to find us from the airport

Ask at Birmingham Airport for the bus station stopping at the NEC and Birmingham Airport. This is the 900 bus and costs about £1.50 per journey, stopping and leaving from outside the guesthouse front door for your convenience. Ask for the last stop before Coventry city centre.
